The Jantex highly absorbent mop can be used with the interchangeable Clipex Handle, allowing the mop to be colour coded for use in designated areas, increasing hygiene by reducing the risk of cross contamination.

The mop head is lightweight and easy to use, ideal for busy environments where cleaning needs to be carried out quickly and efficiently. This Socket mop head has been designed to fit the Jantex interchangeable Clipex handle (DN819) as part of the colour coded cleaning system.

- Light and easy to use
- Highly absorbent
- Cost effective
- Fits DN819 Clipex Handle
- 460(L)mm
- Material : Polyester/viscose
