The 2.5 litre De Buyer Inocuvire Copper Saucepan has incredible heat conduction thanks to its dual material construction - copper on the outside that rapidly conducts heat and stainless steel inner to evenly distribute it and provide professional cooking results.

The saucepan is perfect for creating your favourite meals and with an easy to clean inner, its also easy to keep in pristine condition, helping you to keep cooking up top quality creations.

- Easy care. No need for re-plating due to stainless steel inner lining
- Suitable for all heat sources except induction
- Compatible with stainless steel lids (sold separately)
- 2mm thick body
- Not dishwasher safe
- 4(H)x 7 1/4"/ 100 x 180mm
- Material : Copper
- Capacity : 88oz/ 2.5Ltr
