The De Buyer Mineral B Black Iron Blinis Pan is made from strong and durable black iron, absorbing heat slowly and spreading it around the pan evenly to ensure your blinis are cooked quickly, evenly and efficiently.

All black iron pans require seasoning before use, this process gives them a more durable cooking surface that retains a non-stick finish to ensure your pans can easily slide from pan to plate.

- High temperature cooking is perfect for sealing, browning and grilling.
- The pan must be seasoned before use. The more the pan is used, the better the performance.
- Suitable for all heat sources including induction.
- Not dishwasher safe
- 120mm
- Material : Iron
- Capacity : 180ml
