Improve the performance of your dishwashers and glasswashers by using this Winterhalter granulated warewashing salt

The high-purity granules of this salt will soften the water supply to your warewashing units

Size

Unit	Height	Width	Depth
Mm	215	190	240
Cm	21.5	19	24
Inches (approx)	8	7	9

- Suitable for all internal warewashing water softeners
- The high-purity granules effectively soften hard water
- Stops limescale from building up in your warewashing units
- Reduces your chemical consumption
- Prevents your tableware from spotting, clouding or collecting watermarks
- The salt is made from food-grade granules
- Supplied in a plastic sack for hygienic storage
- Material : Plastic
