Brightly reflective and elegantly fluted, this bucket adds wow factor to any wine. The timeless design looks great in everything from traditional restaurants to contemporary bars and clubs.

The flared design should be piled with ice to chill your wine, gradually melting to envelope it in an icy layer.

- Also available in gunmetal black (DR633) and copper (DR613)
- Complements other Olympia barware
- Solid stainless steel
- Attractive, curved shape
- Highly reflective finish
- 230(H) x 210mm
