Hawthorne strainers are named after the original brand of this precision cocktail instrument.

Perfect for removing ice from a drink when pouring it from a Boston shaker, mixing glass, or cocktail shaker, simply hold the Hawthorne shaker over your container and pour gradually into the correct glass.

- Also available in a gunmetal (DR620) and non-coloured finish (DR590)
- Works perfectly with other Olympia copper barware
- Four prongs for easy and ergonomic pouring
- Designed for use with Olympia Boston shaker can F974
- Also works with other brands
- 197(H) x 103(W) x 197(L)mm
