Notes :

- Please check door entry sizes before ordering.
- Delivery is made to kerbside only.
- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

Designed for power and performance, the Buffalo Blender provides a generous 2.5 litres of blending capacity.

The base features a 1720W motor, controlled by a variable speed dial which operates the strong stainless steel blade between 10,000 and 28,000rpm - perfect for smoothies, milkshakes, cocktails and many other bar favourites.

Size

Unit	Height	Width	Depth
