Work towards a greener future with this pack of 1000 x Fiesta Green compostable lids for the 12oz Fiesta Green hot cups.

Built entirely from plant-based materials, these lids are completely compostable, reducing the amount of waste that goes to landfill while also promoting your business as an environmentally-friendly one.

- CPLA is a stronger and more heat resistant form of PLA (plant-based substitute to standard plastic)
- Fully compostable in under 12 weeks in an industrial composting facility
- Certified compostable according to the EN 13432 standards
- Greener alternatives to oil-based plastic lids
- Made with sustainable and renewable plant-based materials
- Emits less carbon during production than oil-based plastic alternatives
- Fits 340ml | 12oz hot cups
- Strong and stable construction
- Suitable for temperatures up to 90°C
- 93mm
- Material : CPLA
