Notes :

- Please check door entry sizes before ordering.
- Delivery is made to kerbside only.
- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

The largest of Dynamics hand held blenders, the SMX 800 Turbo can quickly and easily blend, liquefy and emulsify huge quantities - up to 300 litres of soup, dressings, sauces, mayonnaise, batters or other preparations in a single pot, saving costly prep time and effort.

Immensely powerful, the Dynamic SMX features durable titanium plated blades which can cut through even the thickest of ingredients.
