Churchills extra strong super vitrified ceramic is designed for impressive resistance to thermal and physical shock resistance and gives these plates the strength to withstand the busiest and most hectic kitchens.

The long and slender plates provide the opportunity to completely change up the way to present dishes and provide diners with a more contemporary dining experience.

- Extra strong super vitrified body
- Suitable for microwaving and commercial dishwasher cleaning
- Contrasting indigo rim
- Speckled glaze
- Mix and match with other Stonecast and Stonecast Hints products
- 189(W) x 355(L)mm
- Material : Super Vitrified Ceramic
