This oval plate by Churchill is manufactured in Britain using specially selected super vitrified ceramic.

As a result, these 305mm plates offer excellent thermal and physical shock resistance and also have the strength to withstand extensive use in the busiest kitchens and most hectic restaurants.

- Extra strong super vitrified body
- Suitable for microwaving and commercial dishwasher cleaning
- Contrasting indigo rim
- Speckled glaze
- Mix and match with other Stonecast and Stonecast Hints products
- 305(L)mm
- Material : Super Vitrified Ceramic
