Bento boxes are an essential part of speedy lunches in Japan and this APS Asia interpretation is equally adept for serving smaller portions or as part of your buffet presentation.

The contrasting red and black colours make a striking combination with many foodstuffs and are great for contemporary restaurants which want statement crockery.

- Made of lightweight and durable melamine
- Very shatter resistant - safer than ceramics
- Perfect for buffets and outdoor catering
- Dishwasher safe
- Also available in white
- Material : Melamine
