Notes :

- Please check door entry sizes before ordering.
- Delivery is made to kerbside only.
- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

This deeper bento box enables you to pile it high with produce or build height into more ornate presentation as part of your buffet.

This bowl also stacks and interacts with other APS Asia items and is the perfect way of building varied height into any buffet display.

- Made of lightweight and durable melamine
- Very shatter resistant - safer than ceramics
- Perfect for buffets and outdoor catering
- Dishwasher safe
- Also available in white
- Material : Melamine
