These Utopia paper straws boast a stunning copper colourway, making them an exciting complement for rustic copper barware and cocktail equipment.

These single-use disposable straws are therefore a visually pleasing way to help your business move away from plastic straws.

- The paper material means the straws will biodegrade quickly and without harming the environment
- Greener alternatives to traditional plastic straws
- Available in a wide range of solid colours and stripe patterns
- Designed for single usage
- Contemporary metallic style
- 6mm bore
- 200(L) x 6mm
