The contrasting black and white stripes of these Utopia paper straws are an interesting alternative to solid black or white coloured straws.

Made of commercial quality paper, these single-use straws are designed to prevent softening in your drink.

- The paper material means these straws will biodegrade quickly and without damaging the environment
- Environmentally friendly alternatives to standard plastic straws
- Available in a wide range of solid colours and stripe patterns
- Designed for single usage
- Perfect for retro milkshakes and floats
- 6mm bore
- 200(L) x 6mm
- Material : Paper
