With 9 rails this insulated food box from Cambro can house 6 sheet pans measuring 60x40cm, as well as camwarmers or camchillers at the rear of the unit to extend holding temperatures well beyond four hours.

The box is also designed with a built-in label area, ensuring menu tags can be used for easy identification when distributing.

Size

Unit	Height	Width	Depth
Mm	687	540	770
Cm	68.7	54	77
Inches (approx)	27	21	30

- Thoughtfully designed built-in handles along the top of the front loader unit allow them to be easily carried from all four sides
- Compartment for cold chiller plate or hot plate is located on the inner backwall to prevent overhead condensation drips and to evenly distribute temperature throughout the carrier
- Built-in Condensation barrier helps front loaders to remain drip-resistant
- A built-in label area keeps plastic menus tags in place for easy content identification for routing
- - internal585(H) x 410(W) x 615(D)mm
- Material : Polypropylene
- Capacity : 126 Ltr
