Built to transport 60x40cm food crates, this lightweight insulated food carrier from Cambro is practically impervious to oil, grease and most chemicals.

The box can easily withstand substantial impact without taking damage.

Size

Unit	Height	Width	Depth
Mm	687	540	770
Cm	68.7	54	77
Inches (approx)	27	21	30

- Thoughtfully designed built-in handles along the top of the front loader unit allow them to be easily carried from all four sides
- Compartment for cold chiller plate or hot plate is located on the inner backwall to prevent overhead condensation drips and to evenly distribute temperature throughout the carrier
- Built-in Condensation barrier helps front loaders to remain drip-resistant
- A built-in label area keeps plastic menus tags in place for easy content identification for routing
- Multi-purpose front-loading carrier can be purchased with no molded-in rails providing the operator with the flexibility to load 60 x 40 crates of various depths
- Material : Polypropylene
- Capacity : 155 Ltr
