Become more sustainable in your food service operation by using these small Vegware compostable glassine hot bags.

Produced from sustainably-sourced paper and boasting a NatureFlex window made from wood pulp, these glassine bags are fully compostable and offer a greener alternative to standard hot bags.

Size			
Unit	Height	Width	Depth
Mm	254	152	102
Cm	25.4	15.2	10.2
Inches (approx)	9	5	4

- Fully compostable in under 12 weeks in an industrial composting facility
- Made from sustainably-sourced paper
- NatureFlex window is made from compostable wood pulp
- Ideal for use in hot cabinets
- Keeps food fresh for approximately two hours without drying out
- Air, water and grease resistant
- Glassine will not trap condensation, keeping your food hotter and crispier for longer
- Material : Paper
