The eikon e2s is the first choice for anyone who wants to prepare fresh, hot food on demand where space is at a premium.

It offers the smallest unit with the biggest results to add value to all kitchen operations. The high speed oven is user friendly, versatile and provides consistent levels of performance to continually exceed expectations. It is available as eikon e2s Classic in traditional Merrychef design or as eikon e2s Trend, with colour-coded exterior, soft edges and small ware storage on top. The eikon e2s is the ideal way to cook, toast, grill, bake and regenerate a wide range of fresh or frozen foods, such as sandwiches, pastries, pizzas, fish, vegetables and meat. This flexibility supports business growth by allowing rapid menu changes and additional food offerings from one small unit.
