This Falcon Dominator E3101 4HP 4 hotplate range, has a huge variety of special features including.

This hotplate has full depth heavy duty cast iron hotplates and two circular fast hotplates which allows many cooking positions across the hob area. There is a full length removable drip tray which retains spillages and helps to keep the unit clean and the vitreous enamelled oven lining is also easy to clean. The wide range of temperature from 100c-250c means it's ideal for cooking a wide range of food.

Size

Unit	Height	Width	Depth
