This Falcon Dominator E3101 4HP 4 hotplate range has a huge variety of special features.

This unit has full depth heavy duty cast iron hotplates which allows many cooking positions across the hob area and two circular fast hotplates. There is a full length removable drip tray which retains spillages and helps to keep the unit clean and the vitreous enamelled oven lining is also easy to clean. The wide range of temperature from 100c-250c means it's ideal for cooking a wide range of food.
