Cook 4 x 12 inch pizzas at any given time with this Easy SG4 Gas Pizza Oven.

This pizza oven cooks a whopping 6 pizzas at a time so when you're busy you will always be in control. With the Easypizza running on gas the running costs are much lower than with electric and also you get a better flavour from a gas oven. Stand as seen is sold separately. Simple to heat up and run every day, this pizza oven will be the reliable workhorse of your busy restaurant or pizza shop.
