To add fried foods to your menu, this Easy EDF33 Single 9 Litre electric medium-duty countertop fryer is a great choice!

If you want to start adding fried food and french fries to your menu, this medium-duty electric countertop fryer is a great option. It is designed to keep up with your medium usage requirements at a cafe, food stall, or takeaway so that you can serve profitable fried foods to your hungry customers. This high wattage countertop fryer provides greater heating efficiency for faster cooking and a higher output in a compact footprint. The independent thermostatic controls offer a temperature range of 60 to 190 degrees. At only 590mm deep its ideal for all countertops even in small kitchens.
