Showcase cakes and pies or sandwiches and salads in this King Black Series EDP288 four glass sided countertop display refrigerator.

Because the unit is built for countertop or floor-standing use, it's a space-efficient solution for operations with limited space. Place it by the service counter, and boost impulse sales as the desserts tempt hungry customers! It is ideal for businesses like bakeries, cafes, coffee shops, or takeaways since it can show off a variety of products from all four sides.
