Foster have once again excelled themselves as this refrigerated cabinet includes 50 plus new features and innovations.

Size

Unit	Height	Width	Depth
Mm	2080	700	855
Cm	208	70	85.5
Inches (approx)	81	27	33

- Fitted with our new and improved +stayclear condenser which helps increase product life and reduce energy consumption, +stayclear helps your low energy fridge stay a low energy fridge. Now fitted across the cabinet and counter range as standard
- Foster Shield provides advanced temperature control and hygienic design, protecting from the dangers of unsafe food storage. With air distribution optimised by CFD design technology, efficient operation is assured, even when shelves are fully loaded+
- With PureControl, the G3's controller display uses pure LEDs, incorporating InGaN technology, which means it achieves higher resolution, lasts longer - all while using less power. Through the simple addition of a gateway, you're connectivity-ready
- High quality 304 stainless steel is used as standard on all doors and unit covers for G3 – the gold standard in performance stainless steel – meaning the heaviest usage touchpoints on the product are covered
- This half door model is designed to save energy - keep frequently used products in the top section for easy access, while keeping the bottom section shut to prevent cold air loss
- Market leading usable capacity, now supplied with 4 shelves as standard making your money go further – holds more than a conventional fridge
- Operates efficiently in ambient temperatures of up to 43°C
- Power Type : 642
- Power Supply : 613

- Material : 304 Stainless steel & 304 Stainless steel
- Capacity : 600
