Part of the innovative new Evolution range of Valentine fryers, the Evo 2525T fryer has been designed to save time and energy, as well as significantly reducing overall oil costs. Autolift baskets ideal for the busiest of places.

With two separate tanks and baskets, you can cook fish, chips, doughnuts and more separately to prevent cross-contamination, or just use a single tank during quieter hours to save energy.

Size

Unit	Height	Width	Depth
Mm	900	500	600
Cm	90	50	60
Inches (approx)	35	19	23
