Perfect for cafeterias and canteens, the Vogue 16 level tray clearing trolley is a superb solution for quickly organising and clearing away food trays. Able to hold up to 16 trays at a time, the mobile trolley is incredibly sturdy and durable, allowing the trays to be moved between areas smoothly.

Below, the trolley includes four strong castors, two of which are braked, allowing you to securely park the trolley wherever it's required. And thanks to the trolley's strong stainless steel construction, it's both long-lasting and easy to clean too.

- Strong 201 grade stainless steel construction providing excellent durability for long-lasting use
- Strong castors make positioning full loads easy
- Includes 2 x front braked castors for secure positioning
- Delivered flat-packed - quick and easy to assemble
- Low maintenance, easy-clean design
- Material : Stainless Steel
- Capacity : 20 x 450 x 350mm food service trays
