Powerful and reliable, the Buffalo variable speed stick blender is the perfect solution for rapid food prep in the pro kitchen.

Designed to puree, whip or emulsify up to 100 litres at a time, the blender offers impressive performance, so it's ideal for quickly prepping food straight in the cooking pot - less mess, less fuss.

- Detachable, interchanegable 400mm stainless steel shaft - easy to clean and maintain
- Supplied with blade, emulsifying blade and quick removal kit as standard
- Precise variable speed control. 8,000-18,000rpm - accurate blending results every time
- Stylish easy-clean design
- Cooling vents help prevent overheating during prolonged use
- Powerful 500W motor - prep larger capacities faster
- Ergonomic handle for comfortable use
- Large 100Ltr blending capacity - blend more at a time
- Power Type : 642
- Power Supply : 613
