The Foster FSL800H 800-litre upright fridge is from the Foster Slimline range giving this unit a small footprint, so if you have limited space this upright freezer is a must for you.

This Fosters FSL800H upright freezer has a great many features including a bottom mounted system that draws air from ground level which is much cooler than any other part of the room which means lower running costs.

Size

Unit	Height	Width	Depth
