This Falcon G3121/N is energy efficient, with high performance burners.

This Falcon dominator G3121 is a gas boiling table with 6 x 5.3kW burner, open top boiling top has a semi-sealed pressed stainless steel hob and two individual cast iron pan supports. It is supplied on adjustable legs as standard but is also available on a fixed or mobile stand. The quick heat up reduces waiting time and it has indelible marking that won't wash off leaving you to guess what temperature the item is set at.
