# This Falcon G3124/N is energy efficient, with high performance burners.

This Falcon dominator G3124 is a gas boiling table with 4 x 5.3kW burner, open top boiling top has a semi-sealed pressed stainless steel hob and two individual cast iron pan supports. It is supplied on adjustable legs as standard but is also available on a fixed or mobile stand. The quick heat up reduces waiting time and has indelible marking that won't wash off leaving you to guess what temperature the item is set at.
