The Modena G750 electric countertop griddle allows operators to prepare various foods in a 750mm wide footprint.

Whether you're cooking burritos, burgers, cheese toasties, or scrambled eggs, this heavy-duty stainless steel griddle provides the durability and performance you need to get the job done. The 6mm thick steel cooking surface heats evenly throughout for consistent cooking results, no matter where you place food on the griddle plate. And, with overheat protection and power on / heating indicator lights, this griddle is as safe to use as it is powerful and effective.
