These flat plastic inserts are designed to finish off a range of freestanding table number stands and give you the best possible visibility when bringing orders from the kitchen or bar.

Simply leave the stands on each table and give a table identifier to customers when they place orders, this enables you to track orders quickly and simply without resorting to potentially cheap or unhygienic homemade alternative.

- Printed numbers on both sides
- For use with table number stands
- Wipe clean with a damp cloth
- Other number sets available
- Clearly visible
- 95(H) x 105(W)mm
