- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

Nescafe Gold Blend is mainly produced from Arabica beans, fused with a handful of Robusta beans providing a smooth and rounded taste in every cup.

The roasting also brings out subtle flavours of caramel, resulting in a bold and robust coffee that is also aromatic with a slightly sweet aftertaste.

Size

Unit	Height	Width	Depth
Mm	192	154	154
