Whether youre serving hot soups and stews or ice cream and frozen yoghurts, these 12oz Vegware compostable food pots give you the perfect containers to do so in a more environmentally friendly way.

Made from sustainably-sourced paperboard and featuring a plant-based PLA lining, these pots can be completely composted in under 12 weeks if sent to an industrial composting facility.

- Fully compostable in under 12 weeks in an industrial composting facility
- Environmentally friendly alternatives to standard plastic-lined food pots
- Made from sustainably-sourced paperboard
- Lining is made from eco-friendly plant-based materials
- Has a smaller carbon footprint than traditional plastic-lined alternatives
- Perfect for both hot soups and cold ice creams
- Lids available separately (GH168 and GF048)
- 65(H) x 115mm
- Material : Paper
- Capacity : 350ml / 12oz
