Designed for comprehensive cleaning that cuts back on costs at the same time, this energy saving model of the Winterhalter Undercounter Warewasher is fitted with heat exchange technology to reduce excess energy consumption and save you a little extra with every wash.

With a rinse aid dispenser, detergent pump and water filtration present to improve wash quality, a de-scaling program and water softener to prolong its lifespan and clever pressure adjustment systems and eco settings to maximise efficiency, every element of this commercial warewasher is designed to provide quality performance and reliability.

Size

Unit	Height	Width	Depth
Mm	800	600	617
Cm	80	60	61.7
Inches (approx)	31	23	24

- Output800 glasses/hr or 504 plates/hr
