- A 25% restocking charge will apply for all returned goods.

As the largest model in its class this Winterhalter Undercounter Warewasher features an internal space with an increased depth, allowing you to place and wash even the largest kitchenware such as slow roasting pans and braising dishes.

Offering a single unit that washes both glasses and dishes, this machine saves you more than valuable kitchen space thanks to its money saving eco setting and its pressure adjustment system that tailors water pressure to the contents of each rack.

Size

Unit	Height	Width	Depth
Mm	810	600	656
Cm	81	60	65.6
Inches (approx)	31	23	25
