Offering exceptionally effective, economic and efficient performance, this Sterna six-hour liquid wick chafing fuel is a must-have for any chafing dish, hot box or beverage urn.

Featuring an incredible six-hour burn-time, the fuel is able to maintain consistent heat for as long as necessary, keeping your food at the optimal temperature until ready for serving.

- 6 hour burn time with easy open, resealable top
- Stem wick provides a narrow width, steady flame
- Easy to light and extinguish
- Can stays cool to the touch
- Recommended for chafing dishes, hot boxes and beverage urns
- 67(H) x 85mm
- Material : Metal
