The dual layer design of this disposable Panini wrap offers a long awaited solution to soggy wraps and Paninis two layers of perforated paper provide insulation to keep food products warm and also allows the package to breathe, resulting in a hot, crispy panini.

In addition, the bags are sealable and are perforated so the contents can be sealed and stored in a hot cupboard up to 90 C.

- Dimensions 120(W) x 228(D)mm
- Will fully compost in under 12 weeks in commercial composting sites
- Made from sustainably-sourced, recycled kraft paper
- Eco-friendly alternatives to standard panini bags
- Two-layered design keeps food hot
- Layered design also allows food to breathe
- Can be sealed and stored in a hot cupboard up to 90°C
- Material : Paper
