These 8oz Kraft cups from Vegware are an environmentally friendly alternative to conventional disposable cups.

Lined with plant based PLA, as opposed to PE plastic that many other manufacturers use, the cups remain completely compostable and are widely accepted for food waste recycling.

- Fully compostable in under 12 weeks in industrial composting facilities
- Greener alternatives to traditional plastic-lined hot cups
- Lining is made from sustainable and renewable plant-based materials
- Emits less carbon during production than standard plastic-lined cups
- Strong construction ideal for outdoor events
- Lids sold separately
- 90(H) x 79mm
- Material : Paper and PLA
- Capacity : 230ml | 8oz
