Serve your ice creams and frozen yoghurts in a way thats kinder to the planet with these domed Vegware compostable cold food pot lids.

As these domed lids are made from plant-based PLA, they will fully compost within 12 weeks when sent to a commercial composting facility.

- PLA is a compostable, plant-based substitute to traditional plastic
- Will fully compost in under 12 weeks in industrial composting facilities
- Eco-friendly alternatives to oil-based plastic
- Made with sustainable and renewable plant-based materials
- Emits less carbon during production than traditional plastic alternatives
- Fits GF046 and GF047 Vegware Compostable Food Pots (12oz and 16oz - sold separately)
- Suitable for temperatures up to 50°C
- 45(H)x 115mm
- Material : PLA
- Capacity : 350ml/ 454ml (12/16oz)
