- Drivers do not unpack or position goods.
- A 25% restocking charge will apply for all returned goods.

A bucket-less mopping system with microfibre mop head and 480ml reservoir in the handle, the SYR rapid microfibre flat mop features a thumb operated button that pumps solution through three jets for an extremely thorough clean.

Combine this mop with the microfibre heads (sold separately) to create an efficient and time saving mop that gives professional cleaning results.
