Serve your dips, dressings and small snacks in a more sustainable way with these 2oz Vegware compostable cold portion pots.

As these portion pots are entirely made from plant-based PLA, they can be fully composted within 12 weeks if sent to a commercial composting facility.

- PLA is a compostable, plant-based substitute to standard plastic
- Fully compostable in under 12 weeks in an industrial composting facility
- Greener alternatives to traditional plastic
- Made with sustainable and renewable plant-based materials
- Emits less carbon during production than traditional plastic alternatives
- Perfect for food and liquids up to 40°C
- Great for dips, dressings and nuts
- Transparent, providing full vision of the product
- 25(H) x 70mm
- Material : PLA
- Capacity : 2oz
