This hardwearing table top is suitable for use in busy cafes and restaurants, with a seamless edge that ensures customers are kept safe when using your dining furniture.

Featuring a high density woodchip construction and a foil decor, the Bolero table top has heat and water resistance, protecting it from food and drink spills. The sleek and stylish dark brown design table top comes with pre-drilled holes that allow it to be matched with any table base from our large range.

- Pre-drilled for assembly with our table bases
- Outer edge thickness: 30mm
- Seamless design perfect for the catering industry
- Heat and water resistant
- Flat-packed for easy self assembly
- Suitable for indoor use only
- Easy to clean
- Dark coloured tops should not be exposed to full sunlight for long periods
- Swatch Cards available on request
- 30(H) x 800mm
- Material : High density woodchip table top with a foil decor
