Perfect for serving accompaniments to food, such as homemade custard served on the side of your artisan bread and butter pudding, this range of pans has been created by Utopia to mimic traditional Avebury Blue, enamel coated stainless steel.

Whilst these pans are safe to use in the oven, they are better suited to serving contents that have been decanted into them so customers are able to handle them safely at the table.

- Mimics traditional enamel coated steel
- White body with a blue rim
- Imperfections are an integral feature of the glaze
- Dishwasher safe
- 95mm / 3 3/4"
- Material : Stoneware
- Capacity : 190ml / 6oz
