The 5 litre container of Dishwasher Detergent from Jantex Pro is a highly concentrated liquid detergent that cuts through grease and grime to give your crockery, pots and pans a professionally clean finish.

An advanced formula ensures that even the toughest of stains and dirt are easily removed, with an added descaler that helps prevent the build up of limescale and calcium, helping to preserve the life of your dishwasher.

- Removes the heaviest of soiling
- Low foaming liquid designed for machine dishwashers
- Suitable for use in both hard and soft water areas
- For professional use only
- Helps prevent buildup of limescale and calcium
- 280(H) x 130(W)mm
- Capacity : 5Ltr
