Inspired by nature and brought to life by Olympias potters, this sandstone bowl from the Kiln collection is a great addition to any table setting and will bring the food served within to life.

After the bowl has received its first firing, Olympias artisans apply a reactive wash that interacts with the naturally occurring minerals within the clay and creates a truly unique finish, making your crockery as individual as the food you create.

- The rims are hand painted
- Each piece has a unique finish
- Dishwasher safe
- 140mm
- Material : Porcelain
