- Chrome surface heats up quicker than standard griddles with less energy loss as well as reduced energy radiation, keeping the kitchen cooler for staff and reducing pressure on the ventilation system
- Transfers heat to food more efficiently than a standard griddle
- Thermostatically controlled to give accurate temperatures during the cooking process for consistent results
- Removable front drainer drawer which also makes for easy cleaning. Ideal for busy establishments
- The plate is fully welded into the frame to prevent leaks and places where food and carbon can build up
- Power Type : 611
