Whether youre cooking eggs, bacon, burgers or vegetables, the versatile Silverlink 600 Electric Griddle wont let you down.

It comes with two separately controlled heat zones which give you the option of operating either zone independently to provide a smaller cooking area during quiet periods as well as offering versatility when cooking two separate meals simultaneously.

Size

Unit	Height	Width	Depth
Mm	330	600	620
Cm	33	60	62
Inches (approx)	12	23	24

- Extra powered element for maximum output for a busy kitchen
- Flexibility of a half smooth, half ribbed plate to give attractive branding lines to your food whilst being able to cook eggs on the smooth half of the plate
- Two separately controlled heat zones give you the option of operating either zone independently to provide a smaller cooking area during quiet periods as well as offering versatility when cooking two separate meals simultaneously
- Hard wearing 12 mm think machined steel plate providing even heat distribution and excellent heat retention
- Drip draw to collect all the cooking liquids to reduce cleaning times
- Removable front drainer drawer which also makes for easy cleaning. Ideal for busy establishments
- The plate is fully welded into the frame to prevent leaks and places where food and carbon can build up
- Power Type : 611
- Power Supply : 3155
- Material : Stainless Steel
