Protect yourself and customers from potentially painful spills with the Lid Safe coffee lid attacher.

Perfect for evenly tamping your latte lid onto most 12oz or 16oz disposable coffee cups, the Lid Safe is an attractive and practical coffee cup lid applicator for use in any coffee shop or cafe.

- Practical, ergonomic design
- Limits contact with lids for increased hygiene
- Can also be used to hygienically remove lids
- Dishwasher safe
- Hand-held Tool That Grasps The Lid And Secures To The Cup
- 110(H) x 92mm
- Material : Stainless Steel
